Experience

2016 - present

Zulily

Senior Visual Designer

- Performing high-volume production of digital marketing imagery and designs for an international retail site in collaboration with cross-functional teams.
- Conceptualization of design and inhouse photoshoots for a wide variety of brands; Philosophy, Life is Good, Under Armour, Dyson, Ralph Lauren, Frye, Vera Bradley, and Gaiam to name a few.
- Promoted twice, and was chosen out of a pool of 30 people to receive a bonus for consistently being a top performer while mentoring others and developing process improvements such as an onboarding system and a searchable archive of previous designs.

2014 - present

Freelance

Web Design, Graphic Design, Illustration

- Developing comprehensive solutions for new and existing brands with logos, branding, icons, imagery, websites, marketing collateral and more.

2014 - 2016

Shinobi IT

Graphic Designer

- In-house design establishing a brand identity. Including but not limited to logo, marketing collateral, website, and trade show display.
- Working in client facing and in-house design roles developing websites and brands as a design consultant.
